

Getty Images Prices \$628.4 Million of 10.500% Senior Secured Notes due 2030

October 6, 2025

NEW YORK, Oct. 06, 2025 (GLOBE NEWSWIRE) -- Getty Images Holdings, Inc. (NYSE: GETY) ("Getty Images") announced the pricing of \$628,400,000 aggregate principal amount of 10.500% Senior Secured Notes due 2030 (the "Notes") to be issued by Getty Images, Inc. (the "Issuer"), an indirect wholly owned subsidiary of Getty Images, in connection with the Issuer's previously-announced private offering. The Notes will be senior secured obligations of the Issuer and will be jointly and severally guaranteed on a senior secured first lien basis by the same guarantors that provide guarantees for the Issuer's outstanding 11.250% Senior Secured Notes due 2030 and its secured credit facility. The offering of the Notes is expected to close on or around October 21, 2025, subject to customary closing conditions.

The offering of the Notes is being made in connection with Getty Images' previously announced proposed merger of equals (the "Merger") with Shutterstock, Inc. ("Shutterstock"), creating a premier visual company. An amount equal to the gross proceeds from the sale of the Notes will be deposited in an escrow account and will be secured by a first-priority security interest in the escrow account and all funds deposited therein. Upon release from escrow, Getty Images and the Issuer intend to use the net proceeds from the offering of the Notes to pay cash consideration to holders of Shutterstock common stock in connection with the Merger, to refinance Shutterstock indebtedness, as well as associated fees and expenses.

If the agreement to complete the Merger is terminated, or the Merger is not consummated on or prior to October 6, 2026, or if the Issuer informs U.S. Bank National Association, in its capacity as escrow agent for the proceeds of the offering, that it reasonably believes the Merger will not be consummated on or prior to October 6, 2026, the Notes will be redeemed in accordance with a special mandatory redemption at a redemption price equal to 100% of the issue price of the Notes, plus accrued and unpaid interest, if any, from the date of issuance or the most recent date to which interest has been paid or provided for, to, but not including, the date of such redemption.

The Notes are being offered only to persons reasonably believed to be qualified institutional buyers in reliance on Rule 144A under the Securities Act of 1933, as amended (the "Securities Act"), and to non- U.S. persons outside the United States in reliance on Regulation S under the Securities Act. The Notes have not been and will not be registered under the Securities Act or any state securities laws, and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the Securities Act and applicable state securities laws.

This press release shall not constitute an offer to sell or a solicitation of an offer to buy the Notes or any other securities, and shall not constitute an offer, solicitation or sale in any jurisdiction in which such an offer, solicitation or sale would be unlawful.
