## Item 8.01 Other Events

### *Exchange Offer and Consent Solicitation*

On October 2, 2025, Getty Images, Inc. (the “Issuer”), an indirect wholly owned subsidiary of Getty Images Holdings, Inc. (the “Company”), issued a press release announcing the early results of the previously announced offer by the Issuer to exchange (the “Exchange Offer”) any and all of the Issuer’s issued and outstanding unsecured 9.750% Senior Notes due 2027 (the “Old Notes”) for newly issued unsecured 14.000% Senior Notes due 2028 (the “New Notes”) of the Issuer and the related solicitation of consents (the “Consent Solicitation”) to certain proposed amendments to the terms of the indenture governing the Old Notes.

According to Accuratus Tax and CA Services LLC, using the commercial names “Bondholder Communications Group” or “BondCom”, the information and exchange agent for the Exchange Offer and Consent Solicitation, as of 5:00 p.m., New York City time, on October 1, 2025, representing the Early Tender Time and Withdrawal Deadline for the Exchange Offer and Consent Solicitation, \$294,665,000 aggregate principal amount of Old Notes had been validly tendered (and not validly withdrawn) in the Exchange Offer, representing 98.22% of the outstanding principal amount of Old Notes (and consents thereby deemed validly given and not validly revoked in the Consent Solicitation).

Further, the Issuer announced that the requisite consents (the “Requisite Consents”) to adopt the proposed amendments (the “Proposed Amendments”) described in the Offering Memorandum (as defined below) to the indenture governing the Old Notes (as supplemented by the first and second supplemental indentures thereto the “Old Notes Indenture”) have been received. As a result, the Issuer, Wilmington Trust, National Association, in its capacity as trustee under the Old Notes Indenture and each of the guarantors party thereto will promptly enter into a third supplemental indenture to the Old Notes Indenture containing the Proposed Amendments.

The supplemental indenture containing the Proposed Amendments will be effective upon execution by the parties thereto but will not become operative unless and until the Old Notes that are validly tendered (and not validly withdrawn) by Eligible Holders (as defined in the confidential offering memorandum and consent solicitation statement, dated September 18, 2025 (the “Offering Memorandum”)) have been accepted for exchange and paid for by the Issuer in accordance with the terms of the Exchange Offer and Consent Solicitation. We expect to settle the Exchange Offer and issue the New Notes on October 21, 2025.

This Current Report on Form 8-K shall not constitute an offer to purchase or a solicitation of an offer to sell or exchange the Old Notes, the New Notes or any other securities, and shall not constitute an offer, solicitation or sale in any jurisdiction in which such an offer, solicitation or sale would be unlawful. The Exchange Offer and Consent Solicitation are only being made pursuant to the Offering Memorandum. The Exchange Offer and Consent Solicitation are not being made to holders of the Old Notes or any other person in any state or jurisdiction in which the making or acceptance thereof would be unlawful under the securities laws of any such jurisdiction.

A copy of the press release announcing the results of the Exchange Offer and Consent Solicitation is attached hereto as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated by reference into this Item 8.01.

### *Senior Secured Notes Offering*

On October 6, 2025, the Issuer issued a press release announcing that it priced a private offering of \$628,400,000 aggregate principal amount of the Issuer’s 10.500% senior secured notes due 2030 (the “Notes”). The Notes will be senior secured obligations of the Issuer and will be jointly and severally guaranteed on a senior secured first lien basis by the same guarantors that provide guarantees for the Issuer’s outstanding 11.250% Senior Secured Notes due 2030 and its secured credit facility. The offering of the Notes is expected to close on or around October 21, 2025, subject to customary closing conditions.

The offering of the Notes is being made in connection with the Company’s previously announced proposed merger of equals (the “Merger”) with Shutterstock, Inc. (“Shutterstock”), creating a premier visual company. An amount equal to the gross proceeds from the sale of the Notes will be deposited in an escrow account and will be secured by a first-priority security interest in the escrow account and all funds deposited therein. Upon release from escrow, the Company and the Issuer intend to use the net proceeds from the offering of the Notes to pay cash consideration to holders of Shutterstock common stock in connection with the Merger, to refinance Shutterstock indebtedness, as well as associated fees and expenses.

If the agreement to complete the Merger is terminated, or the Merger is not consummated on or prior to October 6, 2026, or if the Issuer informs U.S. Bank National Association, in its capacity as escrow agent for the proceeds of the offering, that it reasonably believes the Merger will not be consummated on or prior to October 6, 2026, the Notes will be redeemed in accordance with a special mandatory redemption at a redemption price equal to 100% of the issue price of the Notes, plus accrued and unpaid interest, if any, from the date of issuance or the most recent date to which interest has been paid or provided for, to, but not including, the date of such redemption.

The Notes are being offered only to persons reasonably believed to be qualified institutional buyers in reliance on Rule 144A under the Securities Act of 1933, as amended (the “Securities Act”), and to non-U.S. persons outside the United States in reliance on Regulation S under the Securities Act. The Notes have not been and will not be registered under the Securities Act or any state securities laws, and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the Securities Act and applicable state securities laws.

This Current Report on Form 8-K shall not constitute an offer to sell or a solicitation of an offer to buy the Notes or any other securities, and shall not constitute an offer, solicitation or sale in any jurisdiction in which such an offer, solicitation or sale would be unlawful.

A copy of the press release announcing the pricing of the offering of the Notes is included as Exhibit 99.2 hereto and incorporated by reference herein.

## Getty Images Announces Successful Results of Early Participation in Exchange Offer and Consent Solicitation

NEW YORK, October 2, 2025 (GLOBE NEWSWIRE) – Getty Images Holdings, Inc. (NYSE: GETY) (“Getty Images”) announced today the early results of the previously announced offer by Getty Images, Inc. (the “Issuer”), an indirect wholly owned subsidiary of Getty Images, to exchange (the “Exchange Offer”) any and all of the Issuer’s issued and outstanding unsecured 9.750% Senior Notes due 2027 (the “Old Notes”) for newly issued unsecured 14.000% Senior Notes due 2028 (the “New Notes”) of the Issuer and the related solicitation of consents (the “Consent Solicitation”) to certain proposed amendments to the terms of the indenture governing the Old Notes. The Exchange Offer and Consent Solicitation have been made pursuant to the terms of and subject to the conditions set forth in a confidential Offering Memorandum and Consent Solicitation Statement, dated September 18, 2025 (the “Offering Memorandum”).

Further, the Issuer announced today that the requisite consents (the “Requisite Consents”) to adopt the proposed amendments (the “Proposed Amendments”) described in the Offering Memorandum to the indenture governing the Old Notes (as supplemented by the first and second supplemental indentures thereto the “Old Notes Indenture”) have been received. As a result, the Issuer, Wilmington Trust, National Association, in its capacity as trustee under the Old Notes Indenture and each of the guarantors party thereto will promptly enter into a third supplemental indenture to the Old Notes Indenture containing the Proposed Amendments.

The supplemental indenture containing the Proposed Amendments will be effective upon execution by the parties thereto but will not become operative unless and until the Old Notes that are validly tendered (and not validly withdrawn) by Eligible Holders (as defined in the Offering Memorandum) have been accepted for exchange and paid for by the Issuer in accordance with the terms of the Exchange Offer and Consent Solicitation.

Eligible Holders of Old Notes may not deliver consents to the Proposed Amendments in the Consent Solicitation without tendering Old Notes in the Exchange Offer, and may not tender Old Notes in the Exchange Offer without delivering consents to the Proposed Amendments in the Consent Solicitation. The consent results are based on valid tenders of Old Notes by Eligible Holders thereof, which are deemed also to constitute the delivery of consents in the Consent Solicitation made by the Issuer to adopt the Proposed Amendments.

According to Accuratus Tax and CA Services LLC, using the commercial names “Bondholder Communications Group” or “BondCom”, the information and exchange agent for the Exchange Offer and Consent Solicitation (the “Information and Exchange Agent”), as of 5:00 p.m., New York City time, on October 1, 2025 (the “Early Tender Time” and the “Withdrawal Deadline”), the principal amount of Old Notes set forth in the table below had been validly tendered and not validly withdrawn (and consents thereby deemed validly given and not validly revoked) in the Exchange Offer and the Consent Solicitation:

Title of Series (Old Notes)	CUSIP / ISIN Nos. of Old Notes	Aggregate Principal Amount Outstanding	Old Notes Tendered and Consents Delivered at Early Tender Time	
			Principal Amount	Percentage
9.750% Senior Notes due 2027	144A CUSIP: 374276AJ2 144A ISIN: US374276AJ21 Reg S CUSIP: U3742LAA5 Reg S ISIN: USU3742LAA53	\$ 300,000,000	\$ 294,665,000	98.22%

Eligible Holders that validly tendered (and did not validly withdraw) their Old Notes in the Exchange Offer, and validly delivered (and did not validly revoke) the related consents to the Proposed Amendments in the Consent Solicitation at or prior to the Early Tender Time and the Withdrawal Deadline, as applicable, and whose Old Notes are accepted for exchange by the Issuer, will be entitled to receive the Total Consideration (as defined in the Offering Memorandum) and accrued and unpaid interest from the last interest payment date to, but not including, the settlement date of the Exchange Offer, for their Old Notes that were validly tendered (and not validly withdrawn) in the Exchange Offer and accepted for exchange by the Issuer, subject to the terms and conditions contained in the Offering Memorandum. The Total Consideration consists of \$1,000 principal amount of New Notes, which includes an Early Tender Premium of \$50 principal amount of New Notes, per \$1,000 principal amount of Old Notes tendered (and not validly withdrawn) in the Exchange Offer and accepted for exchange by the Issuer. The Total Consideration will be paid in New Notes and the accrued and unpaid interest will be paid in cash by the Issuer on the settlement date of the Exchange Offer. We expect to settle the Exchange Offer and issue the New Notes on October 21, 2025.

Copies of the Offering Memorandum may be obtained from the Information and Exchange Agent by phone at +1 (212) 809-2663 or by e-mail at [gettyimages@bondcom.com](mailto:gettyimages@bondcom.com).

#### **No Offer or Solicitation**

This press release is for informational purposes only and is neither an offer to purchase nor a solicitation of an offer to sell the New Notes. The Exchange Offer and Consent Solicitation is only being made pursuant to the Offering Memorandum. The Exchange Offer is not being made to holders of Old Notes in any jurisdiction in which the making or acceptance thereof would not be in compliance with the securities, blue sky or other laws of such jurisdiction.

#### **No Registration**

The New Notes will not be registered under the Securities Act, or any other applicable securities laws and, unless so registered, the New Notes may not be offered, sold, pledged or otherwise transferred within the United States or to or for the account of any U.S. person, except pursuant to an exemption from the registration requirements thereof. Accordingly, the New Notes are being offered and issued only (i) to persons reasonably believed to be “qualified institutional buyers” (as defined in Rule 144A under the Securities Act) and (ii) to non-“U.S. persons” who are outside the United States (as defined in Regulation S under the Securities Act).
